At the last meeting of the Mission and Renewal Committee (3rd November 2009) the following matters were discussed:

- Training days for readers and intercessors would shortly be arranged by Fr Brian
- Next year's Quiet Day would be at South Stoke on 12th June
- The Welcome Leaflet for newcomers to our Church and/or town was now finalized
- Two more 'Ethics in the Pub' events were planned, probably around the topics of police and medical ethics
- Preparations for the Parish Weekend (21st to 23rd May 2010, in the Isle of Wight) were going well and there were now 54 firm attenders
- The Youth Group was now up and running and was enthusiastically received by participants
- Back to Church Sunday had been a great success
- More Visitors were still needed
- The Community bus service for people at Martlets Court and Warwick Court had commenced and was well received
- The Harvest Auction had been the usual success but the format needed review. The proceeds had been split between Worthing Homeless and the Ark project which is part of Littlehampton Homeless.
